# Your Home Is Your Polling Place

PA election law now allows you to request a mail-in ballot from your county election office. **SB421**

created a no excuse mail-in voting option for all Pennsylvania voters. I love the thought of friends & families sitting around kitchen tables and in living rooms – converting them into polling places. Researching a candidate can be done while you vote from the comfort of your own home on your time and at your convenience! Sign up to be on a permanent list for mail-in ballot applications with your county elections board and have a ballot sent to your home address.

## We Made It Easier for YOU Vote When You Want

Are you unable to make it to your polling place on Election Day? In an effort to encourage more people to vote, we made voting more convenient to you. You can now vote by mail without the need to qualify for an absentee ballot – making your home your polling place! Now any voter can vote by mail-in ballot for any reason by simply filling out a mail-in ballot request at [www.VotesPA.com](http://www.VotesPA.com). Your ballot must be received by your county election office on Election Day by 8pm – your vote counts and your voice is heard!

VOTE BY MAIL**

all Pennsylvania voters. And in the end, that's our job as legislators.  
d govern in the best interest of all Pennsylvanians.

## Convenient Deadlines

In addition to expanding the convenience of location when voting, the new law relaxes the deadlines for registering to vote as well as for voting by mail. If you are not registered to vote, **you may now register up to 15 days before the election.** Additionally, **you may now request an absentee or mail-in ballot up to 50 days before an election** (previously only 30 days). Once complete, *the ballot must be returned to your county voter registration office no later than 8 pm on Election Day.* This change was much needed; had this change been permitted in 2018, 8,000 more votes would have been counted in the general election.

Request a **NEW** mail-in ballot & vote from the convenience of your own home!
